

STUDENT & PARENT WORKSHOP

TAKING THE LEAP TO SECONDARY SCHOOL IN 2025

**Making the process seamless and as easy
as possible for your Year 6 child**

Transitioning to secondary school is a significant event for students (and their families). It's a time of immense change in their physical, social and emotional wellbeing. On top of this comes the demand of adjusting to a secondary school environment including higher academic and organisation needs.

This workshop is aimed at providing students with the knowledge, tools and strategies to assist them to experience a smooth and successful transition. Students will be provided with many tips on how to cope with the move to secondary school so they can start preparing now and decrease any stress/anxiety they be feeling.

Topics to be covered include:

- organisation and time management
- feelings and expectations
- the importance of a planning tool/s to manage time and tasks
- what students need to organise in their academic lives
- key differences at secondary school
- having an effective study area
- friendships and tips on making new friends

This workshop has been run by many primary and secondary schools since 2015.

FACILITATOR Amanda Lecaude
Academic Life and Executive Function Coach

**WHAT STUDENTS
NEED TO KNOW AND
HOW TO SUPPORT
YOUR CHILD**

Taking the Leap to Secondary School in 2025
